AECCI Annual Report

Financial Year 2019-20

AECCI's Annual Report gives you an insight of the records documented in a financial year. This is inclusive of the Certificate of Origins (Non-preferential) issued, number of documents attested in a F.Y., Countries covered, and Memberships captured.

Though the year could not be closed smoothly due to the epidemic “Covid-19” and an early closure took place, still AECCI managed to record a good number of documents.

Certificate of Origins (Non-Preferential)	40000+
Membership	400+
Trade Disputes	7+
Publications	20+
Business Promotion Activities	35+
Upcoming	ATA CARNET

During recent years our **Certificate of Origin (Non-preferential)** with, has reached to almost every country of Asia while marking a reach to European countries and United States of America as well. To name a few of these countries:
